Subba, Advocate, High Court, Kolkata. Both Legal experts have given almost similar opinion. Legal Consultant of the University has opined that the recommendation made by the CBI does not only fall outside the jurisdiction under which the agency is competent to investigate under the law, but the nature of action recommended also falls outside the scope and purview of the matters for which the agency has the authority to deal with any investigation that is undertaken. Power to initiate departmental action against any employee is vested with the competent

authority of University under the relevant service rules. The competent authority shall be within its jurisdiction to initiate such action in accordance with the service laws by following the prescribed procedure.

Shri B.P. Subba, Advocate, High Court, Kolkata observed that the present case is civil in nature and no criminal element is involved. CBI has exceeded its power by investigating and interfering in administrative functions of the University. The investigation done by the CBI against the University is arbitrary and in excess of its power and jurisdiction. He has also opined that the Executive Council has to take decision without being prejudiced by the report of the CBI and in the interest of the University.

The Council also noted that Central Vigilance Commission vide letter dated 10th Nov 2016 has asked for proposals in seeking advice in respect of officers on CBI report. The MHRD vide letter dated 8th Nov 2017 has asked for action taken on the report of the CBI.

Both the Legal experts have given almost similar opinion that the authority to decide in the instant case lies with the Executive Council without being prejudiced by the report of the CBI.

The Council took note that some irregularities have been pointed out by the CBI in its report which have also been taken note of by the CVC and the MHRD. It also took note of CBI letter dated 16th Feb 2017 vide which CBI Report cannot be made available to the suspected officials and only contents can be used in order to issue charge sheets.

The Council after detailed deliberations decided to authorize the Vice-Chancellor to constitute a committee to look into the alleged irregularities committed by the Screening Committee etc. in short listing Dr. Vijay Kumar Thangellapali and others, and submit a report to facilitate the Council to decide on the future course of action against the concerned officials, if any.

EC 29.4.11: UGC Non-NET fellowship

The Council was informed that UGC Non-NET fellowship @ ₹ 5,000 and ₹ 8,000 per month to M.Phil & Ph.D candidates respectively used to be paid from the date of admission to the respective courses. Deans' Committee in its 7th meeting held on 7th April 2017 recommended the following to be added to the minimum norms applicable to the UGC Non-NET fellowship:

- i) To count fellowship period irrespective of the source of fellowship as follows:*
 - a) 18 months for M.Phil*
 - b) 3+1 years of Ph.D*

This decision was noted by the Academic Council in its 21st meeting held on 31st May 2017 and by the Executive Council in its 27th meeting held on 9th June 2017. A Notification dated 23rd June 2017 was accordingly issued.

The Council further noted that Sikkim University Students Association (SUSA) raised the following queries for addressing by the University.

- i) What was the rationale of stopping UGC Non-NET Fellowship till M.Phil/Ph.D candidates clears their coursework.*
- ii) What happens to those Ph.D candidates who are exempt from doing coursework as they have done their coursework in M.Phil and have secured at least 60% marks.*

The above queries were examined by the University in the light of the UGC guidelines issued vide D.O. No. F.87-1-2012 (SU) dated 24th June 2013 which states: "*Non-NET Fellowship may be granted @ ₹5000 from the date of Admission in case of M.Phil students and ₹8,000 from the date of registration in case of Ph.D students*". The University decided to align the Non-NET fellowships in Sikkim University as per guidelines mentioned above. This was considered by the Deans Committee in its 10th meeting held on 24th Oct 2017 which recommended to the Academic Council to reframe the Notification dated 23rd June 2017 on the lines of the UGC guidelines dated 24th June 2013. The matter came up for consideration in the 22nd meeting of the Academic Council on 14th Nov 2017 which also recommended it for approval.

The Council further noted that on 20th Nov 2017 SUSA office-bearers had a meeting with the Vice-Chancellor regarding non-payment of UGC Non-NET fellowship and asked for the UGC letter dated 24th June 2013. The said letter could not be produced as no such letter was issued by the UGC. It was actually a letter sent by the UGC to some State Universities. On that basis Jadavpur University had framed some guidelines for its University. On 21st Nov 2017 a section of students under SUSA leadership demonstrated at the administrative block demanding release of Non-NET fellowship, showing UGC letter dated 24th June 2013 and action against the officials responsible. After discussions at

various levels in view of the protest by the students the following statement was issued by the University to the agitating students which settled the matter:

“In consideration of the representation received from Secretary for Academic Affairs and also in consideration of the hardship faced by the students, the Vice-Chancellor was pleased to review the matter and decide as under:

- 1. M.Phil/Ph.D Non-NET fellowship shall be disbursed forthwith along with arrears. Amendment to Notification dated 23rd June 2017 will be issued tomorrow.*
- 2. An Inquiry will be conducted with regard to issuance of Notification dated 23rd June 2017 and actions taken on it thereafter.*

This matter will also be placed before Executive Council in its next meeting”

The Council further noted that the Notification dated 22nd Nov 2017 was issued cancelling the Notification dated 23rd June 2017 and allowing UGC Non-NET fellowship to M.Phil/Ph.D students from the date of admission to the respective course along with the arrears. Inquiry Committee could not be constituted as the students’ nominees to the inquiry committee have not been made available by the SUSA despite reminding them by e-mail dated 22nd Nov 2017 and a letter dated 30th Nov 2017.

The Council noted the action taken by the University and advised that such issues may be decided by the University at the level of the Vice-Chancellor and whenever approval of Statutory authority is required, then the matter may be taken up for approval of the concerned statutory authority. The Council further advised to constitute an inquiry committee in the matter.
